The curtains drop  
The hour's ripe  
You come and go  
There's some surprise  
There's something tender in the dark  
It's getting harder  
We can't stop

X2 and again and again and again and the game- it's  
so  
Irksome  
And you say you're mine, flesh and soul  
And you say you're mine on and on and on and on  
Heart of mine heart of mine heart of mine  
Out of mind out of mind out of mind

Rain will wet your body storm  
Venus herself did blow the horn  
This scent of love will drive me mad  
Sweet remedy quick 'fore it's late

X2 and again and again and again and the game- it's  
so  
Irksome  
And you say you're mine, flesh and soul  
And you say you're mine on and on and on and on  
Heart of mine heart of mine heart of mine  
Out of mind out of mind out of mind
