They say that blood  
Blood's thicker than water  
But I say they're wrong  
And what they're thinking of

What they don't know  
And I think they oughta  
And that is that

(CHORUS)

Blood may be thicker than water  
But not when you're caught in love's flood  
Blood may be thicker than water  
But nothing's thicker than love  
Nothing's thicker than love

People draw lines  
That you don't dare step over  
This world's so full  
Full of does and don'ts

But we'll fight with feeling, baby  
Deep love and feeling  
And so I'm saying

(CHORUS)

People close doors  
They lock up and shutter  
Find all kind of ways  
To keep us all out

But we'll fight with feeling, baby  
Deep love and feeling  
And so I'm saying

(CHORUS)

Blood may be thicker than water  
But nothing's thicker than love  
Blood may be thicker than water  
But nothing's thicker than love

Yeah, baby  
Blood may be thicker than water  
But nothing's thicker than love...
