Has been
Has been
You talkin' to me?
You talkin' to me?
You callin' me, has been?
What'd you say your name is?
Jack
Never done jack
Glad to meet ya
Who's your friend?
Dick
Don't say dick
Whaddya know?
And you friend, what's your handle?
Don
Two thumbs Don

Riding on their armchairs
They dream of wealth and fame
Fear is their companion
Nintendo is their game
Never done jack and two thumbs Don
And sidekick don't say dick
We'll laugh at others failures
Though they have not done shit

I've heard of you
The ready-made connecting with the ever-ready
Yeah
The never was talking about still trying
I got it
Forever bitter gossiping about never say die
May I inquire what you've been doing mister?
Jack
Never done Jack
And you partner, what's the News of the World, Dick?
I don't say dick
Don, of all the people you must be the Tattler
Two thumbs up
What are you afraid of?
Failure?
So am I

Has been implies failure
Not so
Has been is history
Has been was
Has been might again
