she is miss united states
she is miss united states

from sea to shining sea like lady liberty
she reigns over all she sees
she is beauty and she is grace
she is queen of 50 states
she is elegance and taste
she is miss united states

[chorus]-she's beauty and she's grace
she's queen of 50 states
she's elegance and taste
she is miss united states
hold your crown up high
hold your crown up high
raise it to the sky
hold your crown up high

woaa yeye ooh ye sky high hold your crown up high

hold your crown up high
hold your crown up high
raise it to the sky
hold your crown up high
