Well, I'm tired and I'm weary but I must goin' on
Till the Lord comes and calls my soul away
Well, the morning will be so bright and the lamb will be
the light
And the night will be black as the sea

There'll be peace in the valley for me someday
There'll be peace in the valley for me, oh Lord, I pray
There'll be no sadness, no sorrow, no trouble, I see
There'll be peace in the valley for me, oh yeah

Well, the bear will be gentle and the wolf will be tame
And the lion will lay down by the lamb
And the beast from the wild, they will be lead by a little
child
And I'll be changed from this creature that I am, oh
yeah

There'll be peace in the valley for me, someday
There'll be peace in the valley for me, oh Lord, I pray
There'll be no sadness, no sorrow, no trouble, I see
There'll be peace in the valley for me, oh yeah
