Verse:

Friends need one other  
More than enough to hold on  
Love enough to share  
Since I got to know you  
Believe in the sound of my heart  
Strong enough to tell you  
That I care

Bridge:

Everybody's a dreamer  
(a dreamer, a dreamer, we need  
Love)  
Everybody needs love  
To be around so

Refrain:

Let me be the one you believe in  
I'll be there oh yeah yeah

Verse:

I want to stay with me  
Whispers the sound of my heart  
Long enough to share

Whenever you feel  
Feel like you need what I need  
Take me to the rhythm

Rap:

I want to be the one to talk to  
I'll be there for you  
Taking care of you  
'cause you're cute  
Beauty is in the eye  
Of the beholder  
I'd never scold ya  
Unconditional love is hard to find  
I'm blind  
Deaf and dumb  
My heart has a big sign  
That says welcome

To a love that's forgiving  
I'm living  
Free  
I wanna be

Refrain
