my baby left me last night  
and then I met his best friend  
and he took me to his house  
and I said...I said...  
(what you said baby)let me tell you what I said  
Put it in my mouth  
She said put it in her mouth  
I said my muthafuckin mouth  
I mean her muthafuckin mouth  
Put it in my mouth  
She said put it in her mouth my muthafuckin mouth  
Verse  
You wanna go down why not  
I be like Herbie and han you a cock  
and tell you that my name is AK  
get on your kness, make like the breeze begin to blow  
but dont give me no Ralph Loren grin  
if your not down to go low deep in my mouth  
I'm all about mouth fuckin  
only if you down for dick suckin  
if not, be chair and a beer...keep truckin  
and fuck chap sticks  
I'm comin ashy as hell, wit chapped dicks  
for your chapped ass lips down in my mouth  
creamin your teeth like dentists as Im rubbin them  
with an erection like injections  
fuck it I be druggin them  
numbing up your tonsils  
like ambesol anesthetic  
cummin down your throat like chloraseptic no time for  
apologin..girlfriend if you.....  
swallowin{gurgle}....gagolin  
I'm givin bitches permanent beers  
put your lips here  
and catch these damn facial hairs in your mouth  
Put it in my mouth  
Put it in your mouth  
I said my muthafuckin mouth  
I said your muthafuckin mouth  
or you can just eat me out  
or I can just eat you out  
you can eat me out

yeah, whats that all about  
Now you can lick it, you can sip it, you can taste it  
I'm talkin every drip-drop, don't you waste it  
baby, slurp it up, its enough to fill your cup  
its finger lickin good  
and Im wishin it would  
go down kinda slow or even fast  
Im always sprung once I feel your tongue  
In the crack of my ass, just eatin me-nigga  
goin out like that boy you pack such a tasty treat  
and you can e a t m e o u t  
but put it your my mouth  
put it in your mouth  
I said your muthafuckin mouth  
I said your muthafuckin mouth  
and you could just eat me out  
what do ya choose to lick you could eat me out  
pussy or dick? put it in your mouth  
people through out the world I said your muthafuckin  
mouth  
man it's your pick put it in my mouth  
what do ya choose to lick put it in my mouth  
pussy or dick? I said my muthafuckin mouth  
people through out the world just put it in my mouth

what do you wanna lick and you could just eat me out  
pussy or dick? in my mouth
