Who Ak? Akinyele?
Yeah He came to London
I took him around and shit
He was nice
I was gonna fuck him
I really was gonna fuck him
But I didn't
I wanted to fuck him though
I was gonna give him some of this pussy
But he started talking some wild shit
He said:
Oh yes you will, be licking my dick tonight
Oh no I motherfucking won't

I was laying in the bed like give me some head
She said when it come to that like uh uh your dead
I don't suck dills
I was looking at the chick like bitch!
Ill, what the fucks the deal
Do you really feel if you don't be gettin ill
You will have sex appeal?
Well I feel
Oh yes you will, be licking my dick tonight
My zipper went zip
I put my pants to my hips
She put her thumbs up
Like the father said psh
I was like shit
I dislike her
She got her thumbs in the air like a hitchhiker
Ready to fight her
But instead I chill
I looked her in the brill
And said:
Oh yes you will, be licking my dick tonight
Oh no I motherfucking won't

Ha yo I pick my calistedic book up
I put my nuts by her chin
So when you look up
I be on top of you
Doing Bobby Brown pushups

When you give me head lift your tush up
When I said what I said
You shoulda seen how her whole face pushed up
She said: huh? what? ew..
Oh yes you will, be licking my dick tonight

(No I won't)
I won't be doing that shit
I never done it before
(Cause I don't)
No I'm not doing it
Get your hand off my head
(No I won't)
Move it outta my face!
(Cause I don't)
I don't believe in that shit
(No I won't)
Your asking me?
(Cause I won't)
I won't do it
Oh yes you will, be licking my dick tonight
I won't be sucking your dick

Oh no I motherfucking won't
You would swear that she want it
By the way she kiss my stomach
Ha! I couldn't wait to start cuming from it
Imagine if she doing it like she gettin blunted
You know, french kissing, put her tongue on it
And then she stop
And I was like dog gone it
Stop acting scared like my house haunted
Oh yes you will, be licking my dick tonight
I said boo do me and I do you
She said ok go first then I do you
Well I do (lick the pussy),
And you do (lick the dick)
(And I do do do do do do do do)
If this is true
(Anything for you)
Then I guess
Oh yes you will, be licking my dick tonight
Oh no I motherfucking won't
Licking the dick or licking the clit
If we do it together
We on some 69 shit
Licking the dick or licking the clit
I know mad chicks from ah
Like they don't lick dick
Licking the dick or licking the clit
Ha if I had to pick

Oh yes you will, be licking my dick tonight

(No I won't)

I don't do that

(Cause I don't)

I've never done it

(No I won't)

I won't be doing that shit!

(Cause I don't)

Don't be trying it

(No I won't)

Move! fuck

(Cause I don't)

I ain't sucking it

Oh yes you will, be licking my dick tonight

Oh no I motherfucking won't

Ha! To all my dick suckers in the house

What up?

And all my clit lickens in the house

What up?

To all my dick suckers in the house

What up?

And all my clit lickens in the house

What up?

You know this is straight up cunnilinguis type shit

Oh yes you will, be licking my dick tonight

Haha
