Intro:

My baby left me
Left me sad and blue
I didn't know what to do
Without my baby baby baby
And then I met his best friend
And he took me to his house
And I said... I said... I said
(What you said baby)
Let me tell you what I said

Put it in my mouth
She said put it in her mouth
I said my muthafuckin mouth
I mean her muthafuckin mouth
Put it in my mouth
She said put it in her mouth
My muthafuckin mouth
I mean her muthafuckin mouth
Put it in my mouth
She said put it in her mouth
My muthafuckin mouth
I mean her muthafuckin mouth

Verse

You wanna go down why not
I be like Herbie and hand you a cock
And tell you that my name is AK
Get on your knees, make like the breeze begin to blow
But don't give me no Ralph Loren grin
If your not down to go low
I'm all about mouth fuckin
Only if you down for dick suckin
If not, bj and the bear... keep truckin
And fuck chap sticks
I'm comin ashes hell wit chapped dicks
For your chapped ass lips
Treatin your teeth like dentists as I'm rubbin them
With an erection like injections
Fuck it I be druggin them
Numbing up your tonsils
Like ambesol anesthetic

Cummin down your throat like chloraseptic (take it out
my mouth)
No time for apologin... girlfriend if you...
Swallowin {gurgle}... gargolin
I'm givin bitches permanent beards
Put your lips here
And catch these damn facial hairs in your mouth

Put it in my mouth
(Put it in your mouth)
I said my muthafuckin mouth
(I said your muthafuckin mouth)
And you can just eat me out
(Or I can just eat you out)
You can eat me out
(Yeah, what's that all about)

Well you can lick it, you can sip it, you can taste it
I'm talkin every drip-drop, don't you waste it
Baby, slurp it up, it's enough to fill your cup
It's finger lickin good
And I wish a nigga would
Go down kinda slow or even fast
I get sprung once I feel your tongue
In the crack of my ass, yes I need a nigga
Goin out like that
Boy your pack is such a tasty treat
And you can e a t m e o u t
But

Put it in your mouth
(Put it in your mouth)
I said your muthafuckin mouth
(I said your muthafuckin mouth)
And you could just eat me out

What do ya choose to lick
Pussy or dick? (you could eat me out)
People through out the world (put it in your mouth)
Man it's your pick (I said your muthafuckin mouth)
What do ya choose to lick (put it in my mouth)
Pussy or dick? (put it in my mouth)
People through out the world (I said my muthafuckin
mouth)
Yeah it's your pick (just put it in my mouth)
What do you wanna lick (muthafuckin mouth)
Pussy or dick? (and you could just eat me out)
People through out the world (in my mouth)
Its... your... pick... hah (put it in my mouth)
It's your pick... pick (baby-baby in my mouth)
Uhh, uhh (let me go down)

People through out the world
{laughing}
