(akinyele)

You can't

You won't

Ak-nel

You can't

You won't

(curly) refrain

Something is what you meet standing up on the corner

Lay out

And when you think of my spliff

You think something has come over

Lay out

I say

Here I am what I'm going to do

Yes I've got these dreams to come true

And the way you embrace me

It makes me want to crossover

Lay out

(curly) 2x

Sha la la la (la la la)

La la la (la la la)

La la la (la la la)

(akinyele)

Ha it's the hardcoe rhymer

Straightening niggas out like recliners

You dicks get sprayed like stun

I use your blood to paint the walls like period vagina

Remind us

Of signers

When we busting you up

Bullets like allergies

Straight stuffin' you up

Can I touch any he or she that try to diss this

Once I clutch the grammy in my hand like stick shift

Or professor

I'm putting niggas in a stretcher

Tell your crew

I play them boys ou like fucking hugh hefner

It ain't nothing

My guns part authority  
Cause they be busting  
I could feel or catch a wreck like your part buttons

(curly) hook  
(2x)  
Cause were rough  
Were rough  
Tough  
Were tough  
We are danger (danger straight dangerous)  
(2x)  
Sha la la la (la la la )  
La la la (la la la)  
La la la (la la la)

(akinyele)  
When it's dark  
It's the ( ? ) parts  
That I be walking in  
Be clocking you and dropping you  
Like dr. kevorkian  
My hobby is to hit you  
With guns in the hand  
In my left  
Putting bullets in your chest  
Like bobby fisher  
I wish a  
Nigga  
Want to contest this  
Wet you up like star water  
You fellas is fish  
Trying to go up again  
To fall from an intense nigga  
To stab you with a dagger  
Reagardless if you stagger  
I still going to jab you with the marvelous ( ? )  
Like agler  
Making your ass fall like niagara  
My trigger finger that damage  
Advantaged niggas  
Like abracadabra  
What  
The ak  
The glock nine  
Making niggas slow down and what not  
Similar to stop signs  
Money and crimes  
On my mind  
I murder silly jokes  
For they choke

And all you ever find  
Is their body outlined  
In white lines

Hook

Refrain

Hook
