Breathe  
Breathe  
Breathe  
Breathe

Corporate causes with self-served denial  
The raping of the land  
Collapse, the lungs malfunction  
They never learned to breathe

Breathe

Rusted syringes and half-thought disposal  
A burial at sea  
Waste water graveyard  
Swimming in disease

Breathe

This is the world  
It's not working  
This is this earth

Breathe  
Breathe  
Breathe  
Breathe, you fucker

Breathe  
Breathe  
Breathe  
Breathe, you fucker

Children gasping the second-hand air  
Death and desperation  
We've got to cut the lies with truth  
We breathe

Breathe

This is the world  
The clock's ticking

Is this this earth?

Breathe  
Breathe  
Breathe  
Breathe, you fucker

Breathe  
Breathe  
Breathe  
Breathe, you fucker

Hope springs eternal but there's no conviction  
Action mistaken for ransom is paid  
All this concern is the true contradiction  
The world is insane

Breathe  
Breathe  
Breathe

This is the world  
It's got no future  
Is this this earth?

Breathe  
Breathe  
Breathe  
Breathe, you fucker
