Grab yourself a partner
Swing 'em around the town
Walk the dog and do-se-do
Before you tie her down

Anesthetize and fantasize
Watch your dreams come true
A riding crop, a lollipop
A tank of nitrous too

Because you're broken

Bang! bang! boo-de-yay
Broken down and done
Triple x and filthy sex
An overloaded gun

Discipline and bondage
Leather mask and nuns
A topless girl
A string of pearls
A wad of bubble cum

Inconsequential
An angels broken wing
Kept confidential
We keep inside our secret things

What's the price of pleasure?
What's the price of pain?
Rapture or deliverance
Beneath a golden rain

Swap and swing and sissy spank
The middle-class defined
Or those who swim the deep end
With sex and death combined

Inconsequential
An angels broken wing
Kept confidential
We keep inside our secret things

Because you're broken
