Cutting pictures  
From a magazine  
A paper smile  
But not from you to me

Another statue in a horoscope  
A breakfast alone  
Another compromising [Incomprehensible]  
Another game show

The game show  
The game show

I pass the time  
Away before I sleep  
I have your picture  
Sitting next to me

I taped your picture  
In a book  
Don't bother reading  
I just take a look

Don't have to turn  
The page before I know  
So full of answers  
I don't need to know

Our life was just a joke  
I like the game show

The game show  
The game show

Don't have to turn  
The page before I know  
You ask me questions  
I already know

The time has finally come  
To let it go  
I like to take control

I like the game show

The game show

The game show

The game show
