No bunny, it's not funny  
Don't believe everything you read  
It's fable, just a label  
You don't just follow the lead

There is no bunny  
I promised  
It's ugly, it's stupid  
Don't be the same

You're a sucker  
A violent fucker

Teenager frustrated  
Easily manipulated  
Enemy created  
Television mated  
Waiting to be hated  
Look outside

Teenager frustrated  
Easily manipulated  
Enemy created  
Television mated  
Waiting to be hated  
Won't you look outside?  
Look outside

No bunny, it's not funny  
Don't believe everything you read  
It's fable, just a label  
And don't follow the lead

There is no bunny  
I promised  
It's ugly, it's stupid  
And now you're the same

Violent sucker  
[Incomprehensible]

Teenager frustrated

Easily manipulated  
Enemy created  
Television mated  
Waiting to be hated  
Look outside

Teenager frustrated  
Easily manipulated  
Enemy created  
Television mated  
Waiting to be hated  
Look outside, look outside
