Condition yourself a condition red
Alert yourself when you shake the deck
Like you shake my soul
Ah, show yourself, ah, give me your spine
Take it all in
And I'll take it all in 'til you hurt me

See yourself, are you dead or alive?
You can feel my flesh 'cause I'll rip my spine
And I'll show you my innocence, one more game
Won't you play that game for me?
'Cause no one's watching
And no one cares about your indifference

Ha, ha, ha, ha, ha, ha
Ah, show yourself to me, huh
Ha, ha, ha, ha, ha, ha
Ah, show yourself to me, huh
Ah, show yourself, unmask yourself, expose yourself
Show your spine to me to me
