I feel like shit

Side effects include Mikey's Middle Finger

I feel like shit, I feel like shit, I feel like shit, I feel like
shit

Side effects include bleeding out of your asshole

Side effects, side effects, just give me more side
effects

Side effects, side effects, just give me more side
effects

Side effects, side effects, just give me more side
effects

Side effects, side effects, just give me more side
effects

Why is my body covered in zits

Why am I bleeding out of every slit

Why am I growing a big set of tits

Seizure, seizure, have another fit

I feel like shit

I feel like shit

SIDE EFFECTS

I feel like shit

SIDE EFFECTS

I feel like shit

Side effects, side effects, just give me more side
effects

Side effects, side effects, just give me more side
effects

Side effects, side effects, just give me more side
effects

Side effects, side effects, just give me more side
effects

Mikey's Middle Finger

Side effects include bleeding out of your asshole

I feel like shit
