Let truth be told  
Until it's sold  
Silence is golden  
Too bad it's all been stolen  
Stolen, stolen, stolen

Our defense is your defense  
Your defense in some sense  
Some senseless way unfolded  
Folded 'cause it's all been stolen  
Stolen, stolen, stolen

The gilded scale was burning  
Just as your back was turning  
Just as our trust was leaving  
You'd have us all believing

These truths we hold  
Self evident  
Bought and sold  
Not Why do we spend

The more you hunt the more I sing  
Then quickly rewrite everything  
Truth returns bloated, swollen  
Then disappears it's been stolen  
Stolen, stolen, stolen

The gilded scale was burning  
Just as your back was turning  
Just as our trust was leaving  
You'd have us all believing

These truths we hold  
Self evident  
Bought and sold  
Not Why do we spend

It's all been stolen  
It's all been stolen  
It's all been stolen
