### 4. The Dick Song

[Jourgensen / Quirin, Words: Jourgensen]

I've got something to get off my chest  
I've got a person that scares me to death  
First name is Dick and you know the rest  
Well I've got something I just got to say  
This vice president will make us pay  
We're inching closer to judgment day

My name is Cheney I got no  
remorse! run run run  
Cheney's got a gun  
I get my way or I get to use force - on anyone  
You know he's evil, he's not of this  
race! run run run Cheney's  
having fun  
He used a shotgun to blow off a face  
He's still not done

Dick Cheney Son of Satan  
He is the Chosen One

He's starting wars at the drop of a  
hat! run run run Cheney's  
got a gun  
He says he's certain he's driving them back  
Were almost done  
Let's have another let's fuck with  
Iran! run run run Cheney's having  
fun

It pleases Satan  
When there's blood on the hands  
Of his Number One

Dick Cheney Son of Satan  
He is the Chosen One

The smell of money keeps him  
alive! run run run Cheney's

got a gun  
He thinks it's funny when the bodies arrive  
What's done is done

The occupation of Satan is near  
run run run Cheney's having fun  
Now Revelations is oh so near  
For everyone

Dick Cheney Son of Satan  
He is the chosen one
