### 5. The Last Sucker

[Jourgensen / Victor, Words: Jourgensen]

Born and raised in the USA  
I got a different type of DNA  
I got a bloodline from Texas to Maine  
We run the world like a parlor game

I got twins and a Stepford wife  
I never had to work a day in my life  
I never studied but got my degree  
I never had to with my family tree

Now I'm the last sucker  
Now I'm the last one  
No longer in charge  
Of anyone!

I got others tell me what to say  
I'm like an actor in a tragic play  
They give me speeches  
I cant understand  
It doesn't matter  
As long as no one else can

Now I'm the last sucker  
Now I'm the last one  
No longer in charge  
Of anyone!

Last sucker sorry fucker  
Nice try  
Last sucker Sorry fucker  
Bye bye

Now it's my turn for something to say  
You made me king so I could have my way  
The people hate me and I don't know why  
They hate me more with each and every lie

Now I'm the last sucker

Now I'm the last one  
No longer in charge  
Of anyone!

Last sucker Sorry fucker  
Nice try  
Last sucker Sorry fucker  
Bye bye
