the missing, the missing,
the missing, the missing,
they took him away

the last nights,
the sinking shunned,
the last rites,
of what we have done
so watch yourself,
and watch what you say,
they'll all die,
so watch yourself

he takes a look at death,
they can't control,
the missing, the missing, the missing,
they took him away, they took him away

watch yourself, the missing,
the missing, the missing,
watch yourself, the missing,

watch yourself, the missing,
watch yourself, the missing
they took him away

the last nights,
the terror's come,
the last rites,
of what we've controlled
so watch yourself,
and watch what you say,
they'll all die,
so watch yourself

he takes a look at death,
they can't control,
the missing, the missing, the missing,
they took him away,
they took him away

watch yourself, watch yourself,

watch yourself, they took him away
