

## Ministry "Whip And Chain"

Don't wanna hear your voice  
Don't really know if I have a choice  
Don't wanna be the one that makes you forget

You're choking on regret  
You're choking on regret  
You're choking again

Don't think we've ever met  
Don't think you offered up a God given name  
Who did the talking then, the whip or the chain?

You've got pleasure from a sentence of pain  
But then they get you with the burden of shame  
The true measure is the one that remains

Don't wanna, don't wanna  
Don't wanna be your pain  
Don't wanna be your pain, baby

Don't wanna be your pain  
Don't wanna be your pain, baby  
Don't wanna be your pain

In a concrete cell  
No soul would dare to tell  
She craves to cup his mind  
She makes him give them time

She likes to throw a whip  
And see the young boy slip  
She loves to see him crawl  
Up the chamber walls

She ties him up so tight, man  
He turns ghost white  
And when their eyes are covered  
Like a vulture she hovers

He sees she tries to put him in restraint  
But she gets her love and hate  
When they scream, "No more"

She gives them just one more  
She gives them just one more  
She gives them just one more

Won't let you kill me just yet  
Don't even care if there's a price on my head  
Don't wanna wind up in a bloody refrain

Don't wanna be your  
Don't wanna be your pain  
Don't wanna be your pain, baby  
Don't wanna be your pain

Don't wanna be your pain  
I said, I don't, don't, don't wanna be your pain, baby  
Don't wanna be your pain  
I said, I don't, don't, don't wanna be your pain, baby
