Well now everybody cryin' 'bout the seventh son  
But in the whole round world there is only one, and  
I'm the one, yes, I'm the one  
I'm the one, I'm the one,  
I'm the one they call the seventh son  
Well I can tell your future before it comes to pass  
And I can do things for you that make your heart feel  
glad  
Look at the skies and predict the rain  
I can tell when a woman's got another man  
I'm the one, yes, I'm the one  
I'm the one, I'm the one,  
I'm the one they call the seventh son  
Now I can hold you close and I can squeeze you tight  
And I can make you cry for me both day and night  
And I can heal the sick and even raise the dead  
And make you little girls talk out of your head  
I'm the one, yes, I'm the one  
I'm the one, I'm the one,  
I'm the one they call the seventh son  
Now I can talk these words that sound so sweet

I can make your little heart even skip a beat

I can take you, baby, hold you in my arms

And make the flesh quiver on your lovely bones

I'm the one, yes, I'm the one

I'm the one, I'm the one,

I'm the one they call the seventh son

Well now everybody cryin' 'bout the seventh son

But in the whole round world there is only one, and

I'm the one, yes, I'm the one

I'm the one, I'm the one,

I'm the one they call the seventh son

I'm the one they call the seventh son

I'm the one they call the seventh son
