Hardest finds, sweet like wine  
Cool like a pool  
But I'm glad she's mine  
Look like a angel  
Got ways like a child  
The way she loves  
Is gonna drive me wild

But that's my baby  
Yes, that's my baby  
That's my baby  
Nothin' but a baby child

Sweet like honey  
And she's pure as dew  
She break a man's heart  
Even half, in two  
When I hold her close  
She feels so warm  
She make the marrow freeze  
Down-a in my bones

But that's my baby  
Yes, that's my baby  
You know that's my baby  
Nothin' but a baby child

(guitar & instrumental)

She's built like this  
And she's shaped like that  
She even stop the traffic  
Wherever she's at  
A blind man's son  
Says she can't be beat  
But when the dumb man  
Hollered, 'Ooo, ain't she sweet!'

But that's my baby  
Yes, that's my baby  
You know that's my baby  
Ain't nothin' but a baby child.
