A Woman In Love

Performed by Frankie Laine

Your eyes  
Are the eyes of a woman in love  
And know how they give you away  
Why try to deny  
You're a woman in love  
Well, I know very well  
What they say

They say no moon in the sky  
Ever let such glow  
Some flame deep within  
They then shine

\*Those eyes  
Are the eyes of a woman in love  
And may they gaze  
Ever more into mine  
Crazily gaze ever more into mine (Repeat \*)
