Always late with your kisses
Won't you come to my arms
Sweet darling and stay
Always late with your kisses
Why oh why do you want to do me this way
How long do you think that I can wait
When you know you're always late
Always late with your kisses
Why why why do you want to do me this way

[piano]

How long do you think that I can wait
When you know you're always late
Always late with your kisses
Why why why do you want to do me this way
