If you had not have fallen then I would not have found
you
Angel flying too close to the ground
And I patched up your broken wing and hung around a
while
Tried to keep your spirits up, while you were feelin'
down
I knew someday that you would fly away
For love's the greatest healer to be found

So leave me if you need to, I will still remember
Angel flying too close to the ground
Fly on, fly on past the speed of sound
I'd rather see you up than see you down
Leave me if you need to, I will still remember
Angel flying too close to the ground
