"Born To Lose"

I'm born to lose
I've lived my life in vain
Every dream
Has only brought me pain
All my life
I've always been so blue
Born to lose
And now I'm losing you
Born to lose
It seems so hard to bear
How I long
To always have you near
You've grown tired
And now you say we're through
Born to lose
And now I'm losing you
[dobro]
I'm born to lose
My every hope is gone
It's so hard to face
An empty dawn
And you were all
The happiness I knew
I'm born to lose
And now I'm losing you
