Bring it on down

Bring it on down to my house, honey
There ain't nobody home but me
Bring it on down to my house, honey
I need your company

Tom cat sittin' on the railroad track
Hollered at the mama and she answered him back
Bring it on down to my house, honey
Ain't nobody home but me

Oh, yes

Bring it on down to my house, honey
Ain't nobody home but me
Bring it on down to my house, baby
I need your company

Two old mates are layin' in bed
One turned over and the other one sit now
Bring it on down to my house, honey
Ain't nobody home but me

Bring it on down to my house, honey
Ain't nobody home but me, oh yeah
Bring it on down to my house, honey
I need your company

The old man say, "Can you play the fiddle?"
He said, "[Incomprehensible] I can play a little"
So bring it on down to my house, honey
Ain't nobody home but me

Bring it on down to my house, honey
Ain't nobody home but me
Bring it on down to my house, honey
I need your company

Tom cat sittin' on the railroad track
Hollered at the mama cat, she answered back
Bring it on down to my house, honey

Ain't nobody home but me, yeah

Bring it on down to my house, honey
Ain't nobody home but me
Bring it on down to my house, baby
I need your company

Now my gal Sal makes a pretty good pie
I ate so much I thought I'm gonna die
Well, bring it on down to my house, honey
Ain't nobody home but me
