Corrine, Corrina, where you been so long?  
Corrine, Corrina, where you been so long?  
I ain't had no lovin' since you've been gone

Corrine, Corrina, where'd you stay last night?  
Corrine, Corrina, where'd you stay last night?  
You come home this morning, sun is shining bright

I left Corrina far across the sea  
I left Corrina far across the sea  
She wouldn't write me no letter, she wouldn't talk to me

Corrine, Corrina, bid you fare thee well  
Corrine, Corrina, I bid you fare thee well  
When I'll be back dear nobody can tell

Corrine, Corrina, is it true what they say?  
Corrine, Corrina, is it true what they say  
That you're growin' colder more and more everyday

Corrine, Corrina, be a pal of mine  
Corrine, Corrina, be a pal of mine  
You got me walking just to keep from cryin'

I love Corinna, tell the world adieu  
I love Corinna, tell the world adieu  
Just a little more lovin', let your heart be true

Corrine, Corrina, where you been so long?  
Corrine, Corrina, where you been so long?  
I ain't had no lovin' since you've been gone
