Cowboys Are Frequently Secretly (Fond of Each Other)

Well, there's many a strange impulse out on the plains  
of West Texas.

There's many a young boy who feels things he can't  
comprehend.

And a small town don't like it when somebody falls  
between sexes.

No, a small town don't like it when a cowboy has  
feelings for men.

And I believe to my soul that inside every man there's  
the feminine.

And inside every lady there's a deep manly voice loud  
and clear.

Well, a cowboy may brag about things that he's done  
with his women.

But the ones who brag loudest are the ones that are  
most likely queer.

Cowboys are frequently secretly fond of each other.  
Say, what do you think all them saddles and boots was  
about?

And there's many a cowboy who don't understand the  
way that he feels for his brother.

And inside every cowboy there's a lady that'd love to  
slip out.

And there's always somebody who says what the  
others just whisper.

And mostly that someone's the first one to get shot  
down dead.

So when you talk to a cowboy don't treat him like he  
was a sister.

You can't fuck with a lady that's sleepin' in each  
cowboy's head.

Cowboys are frequently secretly fond of each other.  
What did you think all them saddles and boots was  
about?

And there's many a cowboy who don't understand the  
way that he feels for his brother.  
And inside every lady there's a cowboy who wants to  
come out.  
And inside every cowboy there's a lady that'd love to  
slip out.
