I'd be the last one to tell you that you shouldn't go  
And, the first to say be happy if you can  
But to lie and hurt someone who needs and loves you  
so  
Do you mind too much, if I don't understand?

I suppose that you're convinced this is the thing to do  
Life is short and sweet, break all the hearts you can  
I guess, I shouldn't be surprised, it's all a game to you  
But do you mind too much, if I don't understand?

Forgive me, but it all seems so unreal to me  
And my heart and me, we'd made so many plans  
But that's all over now, there's nothing left to do  
But do you mind too much, if I don't understand?

Forgive me, but it all seems so unreal to me  
And my heart and me, we'd made so many plans  
But that's all over now, there's nothing left to do  
But do you mind too much, if I don't understand?

Do you mind too much, if I don't understand
