"End Of Understanding"

Visit "[End Of Understanding](#)" on MotoLyrics.com

Each time you hurt me, you say you're sorry
I try to understand and say, ?Okay?
But there must be an end to understanding
And the end of mine can't be too far away

I try to understand that you're 'Only human'
And 'We all make mistakes' every day
But there must be an end to understanding
And I know that I just can't go on this way

Don't you know that love and understanding go
together
Ask too much of one and both will die
And there must be an end to understanding
And I know someday I'll reach the end of mine

Don't you know that love and understanding go
together
Ask too much of one and both will die
And there must be an end to understanding
And I know someday I'll reach the end of mine
