I know why I waited
Know why Ive been blue
Ive been waiting each day
For someone exactly like you
Why should I spend some money
On a show or two
When nobody sings these love songs
Exactly like you
You make me feel so grand
I wanna give this world to you
You make me understand
These foolish little dreams Im dreaming
And schemes Im scheming
Now I know why my mama
She taught me to be true
She knew just around the corner
Was somebody like you
You make me feel so grand
I wanna give this world to you
Baby you make me understand
These foolish little dreams Im dreaming
And schemes Im scheming
Now I know why my mama
She taught me to be true
She knew just around the corner
Yes she knew just around the corner
Was somebody like you
