Fly me to the moon
And let me play among the stars
And let me know what spring is like
On Jupiter and Mars
In other words, hold my hand
In other words, darling kiss me

Fill my heart with song
And let me sing forever more
You are all I long for
All I worship and adore
In other words, please be true

In other words, I love you

Fill my heart with song
And let me sing forever more
You are all I long for
All I worship and adore
In other words, please be true
In other words, I love you
