"Frosty The Snowman"

Frosty the snowman was a jolly, happy soul
With a corncob pipe and a button nose and two eyes
made out of coal
Frosty the snowman is a fairytale they say
He was made of snow but the children know how he
came to life one day
There must have been some magic in that old silk hat
they found
For when they placed it on his head he began to dance
around
Oh, Frosty the snowman was alive as he could be
And the children say he could laugh and play just the
same as you and me
Frosty the snowman knew the sun was hot that day
So he said, let's run and have some fun now before I
melt away
Down to the village with a broomstick in his hand
Running here and there all around the square saying,
catch me if you can
He led them down the streets of town right to the traffic
cop
And he only paused a moment when he heard him
holler, stop
Frosty the snowman had to hurry on his way
But he waved goodbye saying, don't you cry, I'll be
back again some day
