"Go On Home"

Visit "[Go On Home](#)" on MotoLyrics.com

Your watching your watch and I know what's on your
mind

There's someone, home waiting and you're away over
time

What should be so right is as wrong as can be

Go on home, you don't belong here with me

I love you, I love you, I love only you

But the one home who's waiting, he loves you too

He's worried and he's wondering where can you be

Go on home, you don't belong here with me

Go on home, you don't belong here with me

Though I want you and I need you desperately

But to hide here in the darkness is as wrong as can be

Go on home, you don't belong here with me

Go on home, you don't belong here with me
