I'm throwin' a goin' away party  
A party for a dream of mine  
So put me somewhere off in a corner  
With a glass and bottle of your party wine

Don't worry it won't be a loud party  
I feel too low to get too high  
It's just a sad goin' away party  
For a dream I'm telling goodbye

I'm throwin' a goin' away party  
A party for a dream of mine  
Nobody's coming but a heartache  
And some tears will drop in now most anytime

Don't worry it won't be a loud party  
Dreams don't make noise when they die  
And so since it's a goin' away party  
Go away and let me cry  
It's just to say goin' away party  
For a dream I'm tellin' goodbye
