Rock on, gold dust woman
Take your silver spoon and dig your grave
Heartless challenge
Pick your path and I'll pray

Wake up in the morning
See your sunrise loves to go down
Lousy lovers pick their prey
But they never cry out loud

Well, did he make you cry? Make you break down
Shatter your illusions of love
Is it over now? Do you know how
To pick up the pieces and go home?

Rock on, ancient queen
Follow those who pale in your shadow
Rulers make bad lovers
You better put your kingdom up for sale

Well, did he make you cry, make you break down?
Shatter your illusions of love
Is it over now? Do you know how
To pick up the pieces and go home?

Did he make you cry, make you break down?
Shatter your illusions of love
Is it over now? Do you know how
To pick up the pieces and go home?
