A long time forgotten  
Are dreams that just felt by the way  
And the good life he promised  
Is not what she's living to day

But she never complains of  
The bad times or bad things he's done  
She's just talks about the good times they've had  
And all the good times to come

She's a good hearted woman  
In love with a good timin' man  
And she loves him in spite of his ways  
That she don't understand

And through teardrops and laughter  
They'll pass through this world hand in hand  
This good hearted woman  
In love with her good timin' man

Well now, he likes the night life  
The bright lights and good timin' friends  
And when the party's all over  
She welcome him back home again

Though she don't understand him  
She does the best that she can  
This good hearted woman  
In love with her good timin' man

She's a good hearted woman  
In love with a good timin' man  
And she loves him in spite of his ways  
That she don't understand

And through teardrops and laughter  
They'll pass through this world hand in hand  
This good hearted woman  
In love with her good timin' man

She's a good hearted woman  
In love with a good timin' man

And she loves him in spite of his ways  
That she don't understand
