The Mississippi Delta  
Was shining like a National guitar  
I am following the river down the highway  
Through the cradle of the Civil War

I'm going to Graceland, Graceland  
Honey, in Memphis, Tennessee  
I'm going to Graceland  
Poor boys and pilgrims with families  
And we are going to Graceland

My traveling companion is nine years old  
The child of my first marriage  
But I've reason to believe  
We both will be received in Graceland

She comes back to tell me, she's gone  
As if I didn't know that  
As if I didn't know my own bed  
As if I'd never noticed  
The way she brushed her  
Hair from her forehead

And she said losing love is like  
A window in your heart  
Everybody sees you're blown apart  
Everybody feels the wind blow

I'm going to Graceland  
In Memphis, Tennessee  
I'm going to Graceland  
Poor boys and pilgrims with families  
And we are going to Graceland

My traveling companions are ghosts  
And empty sockets, ghosts and empties  
But I've reason to believe  
We all will be received in Graceland

There is a girl in Austin Texas  
And she calls herself the human trampoline  
But sometimes when I'm falling

Flying, tumbling in turmoil  
I say this is what she means  
She means we're bouncing into Graceland

And I see losing love is like  
A window in your heart  
Everybody sees you're blown apart  
Everybody feels the wind blow

And I'm going to Graceland  
In Memphis, Tennessee  
I'm going to Graceland  
For reasons I cannot explain  
Some part of me wants to see Graceland

And I may be obliged to defend  
Every love and every end  
Or maybe there's no obligations now  
Maybe I've a reason to believe  
We all will be received in Graceland

Graceland  
Graceland  
I'm going to Graceland
