I don't love you like I used to do  
But I'm afraid to tell you so  
I've got half a mind to leave you  
But only half the heart to go

And words to tell you just won't come to me  
I guess my courage is too slow  
I've got half a mind to leave you  
But only half the heart to go

Time will tell me that you're not to blame  
And that's one thing I need to know  
I've got half a mind to leave you  
But only half the heart to go  
But only half the heart to go
