There's a home place under fire  
Tonight in the heartland  
And the bankers are taking my home  
And my land from me

There's a big achin' hole in my chest  
Now, where my heart was  
And a hole in the sky  
Where God used to be

There's a home place under fire  
Tonight in the heartland  
There's a well where the water's so bitter  
Nobody can drink

Ain't no way to get high and my mouth  
Is so dry that I can't speak  
Don't they know that I'm dyin'  
Why's nobody cryin' for me?

My American dream  
Fell apart at the seams  
You tell me what it means  
You tell me what it means

There's a home place under fire  
Tonight in the heartland  
And bankers are taking the homes  
And the land away

There's a young boy closin' his eyes  
Tonight in the heartland  
Who will wake up a man with some land  
And a loan he can't pay

His American dream  
Fell apart at the seams  
You tell me what it means  
You tell me what it means

My American dream  
Fell apart at the seams

You tell me what it means  
You tell me what it means

There's a home place under fire  
Tonight in the heartland  
There's a home place under fire  
Tonight in the heartland

There's a home place under fire  
Tonight in the heartland  
There's a home place under fire  
Tonight in the heartland
