Take the ribbons from your hair  
Shake it loose and let it fall  
Lay 'em soft against your skin  
Like the shadows on the wall

Come and lay down by my side  
Till the early morning light  
All I'm taking is your time  
Help me make it through the night

Well, I don't care who's right or wrong  
And I won't try to understand  
Let the devil take tomorrow  
'Cause tonight I need a friend

Yesterday is dead and gone  
And tomorrow's out of sight  
And it's sad to be alone  
Help me make it through the night

Well, I don't care who's right or wrong  
I won't try to understand  
Let the devil take tomorrow  
For tonight I need a friend

Yesterday is dead and gone  
And tomorrow's out of sight  
And it's sad to be alone  
Help me make it through the night  
Well I don't want to be alone  
Help me make it through the night
