Haven't got a worry haven't got a care I haven't got a  
thing to call my own

Though I'm out of money and I'm a millionaire

I still have my home in San Antone when I greet my  
neighbor with a hi y'all

I'm wealthy as a king upon a throne

But when I feel like braggin' I just up and say I'm a  
native son of San Antone

[ fiddle - guitar ]

Well I travel around the country on my merry way

I've been to crowds and felt I was alone

But when I feel like braggin' I just up and say I'm a  
native son of San Antone

There's a sweet somebody by the Alamo someday  
she's goin' to be my very own

And we'll buy a high chair in a year or so for our little  
home in San Antone

For our little home in San Antone

[ fiddle ]

For our little home in San Antone

[ fiddle ]

For our little home in San Antone
