Well, I met a California girl in Memphis
And she tried to take me upstairs for a ride
And she had to hold me right across her shoulder
And I just can't seem to get her off of my mind

These honky tonk women
Gonna give me, give me, give me the honky tonk blues
She's a honky tonk woman
Give me, give me, give me honky tonk blues

Then, I later did the same in New York City
And I had to pull out some kind of a fight
The lady, she got covered me with roses
Blew my nose and then she blew my mind

Honky tonk women
Give me, give me, give me the honky tonk blues
Well, there's a honky tonk women
You better, better give me, give me, give me the honky
tonk blues

And she had to have me right across her shoulder
I just can't seem to get her off of my mind
She's a honky tonk woman
Give me, give me, give me the honky tonk blues

Honky tonk women
Give me, give me, give me the honky tonk blues
She's a honky tonk woman
Give me, give me, give me the honky tonk blues
