(feat. Asleep at the Wheel)

[Willie:]

I ain't gonna give nobody none of my jellyroll

[Wheel:]

How 'bout your short'nin' bread

[Willie:]

Oh, I wouldn't give you a piece a pie to save your soul

[Wheel:]

I guess that's what you said

[Willie:]

My Ma told me today, when she went away

[Wheel:]

To buy groceries

[Willie:]

To be a good boy, she'd give me a toy

'Cause I'm my Mama's pride and joy

There ain't no use of anyone to keep a hangin' 'round

[Wheel:]

Maybe I'm waitin' on your Ma

[Willie:]

You don't know my Ma, she'd really put you down

[Wheel:]

Put me down

[Willie:]

Ma's bakin' up a storm, and her oven is still warm

I know you want it, but you can't have it

And I ain't gonna give you none

[Wheel:]

You dirty boy!

[Wheel:]

I ain't gonna give nobody none of my jellyroll

[Willie:]

Oh, such a stingy chap!

[Wheel:]

I wouldn't give you a piece a pie to save your soul

[Willie:]

How 'bout a zuzu snap

[Wheel:]

Her cherry pie is fine, her layer cake divine

But I'm tellin' you twice, you can't get a slice  
Unless you're extra special nice  
Now, there ain't no use of you to just keep a hangin'  
'round

[Willie:]

Oh, pretty please

[Wheel:]

I love you but I hate to put you down

Yeah, my jellyroll is sweet

[Willie:]

That it is!

[Wheel:]

It sure is hard to beat

Well, I know they want it

[Willie:]

But, they can't have it

[Both:]

Yeah, ho-ho Miss Nelly, I mean my jellyroll

[Willie:]

Dibs on the dishpan

[Wheel:]

I got seconds
