Didn't sleep a wink last night  
'Cause you walked out the night before  
Just been sittin' here rottin', hoping you'd come  
knockin'  
Knockin' at my door

Watched the moon pass by my window  
The stars faded out of sight  
The sun came into view, and still I thought of you  
And I didn't sleep a wink last night

Tryin' to remember what I've done  
To make you treat me so  
What have I been guilty of?  
Well, I'd just like to know

Thought if we could talk it over  
Maybe I could make things right  
'Cause until I'm forgiven, I'm exisitn', I'm not livin'  
And I didn't sleep a wink last night  
I didn't sleep a wink last night
