I lose my blues, honey
When I'm with you
No one else can do
You're in my heart to stay
But when I'm gone and I'm all alone
I'll be singing a song
I want to be with you always
[piano]
I'd be happy, dear
If you could only be here
And always be near
Forever and a day
We could travel far
To some big shining star
Just me and my guitar
And stay like sweethearts for always
I lose my blues, honey
When I'm with you
No one else can do
You're in my heart to stay
But when I'm gone and I'm all alone
I'll be singing a song
I want to be with you always
