And if you've got the money, honey I've got the time
And we'll go honky-tonkin' and we'll have a time
We'll have more fun baby, all way down the line
If you've got the money, honey I've got the time

There ain't no need to tarry, let's start out tonight
We'll have fun oh boy, oh boy and we'll do it right
Bring along your Cadillac, leave my old wreck behind
If you've got the money, honey I've got the time

Now we'll go honky-tonkin' make every spot in town
We'll go to the park where it's dark and we won't fool
around
But if you run short of money then I'll run short of time
And if you've got no more money, honey I've no more
time

If you've got the money, honey I've got the time
And we'll go honky-tonkin' and we'll have a time
We'll have more fun baby, all way down the line
If you've got the money, honey I've got the time
