If you've got the money honey I've got the time
we'll go honky tonkin' and we'll have a time
we'll have more fun baby on the way down the line
if you've got the money honey I've got the time

there ain't no need to teary' lets start out tonight
we'll have fun oh boy oh boy and we'll do it right
bring along your cadillac leave my ol' wreck behind
if you've got the money honey I've got the time

(instrumental break)

We'll go honky tonkin' make every spot in town
We'll go to the park where it's dark and we won't fool
around.
if you run short of money I'll run short of time
you got no more money honey I've no more time

If you've got the money honey I've got the time
we'll go honky tonkin' and we'll have a time
bring along your cadillac leave my ol' wreck behind
if you've got the money
honey I've got the tiiiiiiiiimmmmmimeee
